GOALS:

Art For Your Ear is a podcast created by blogger The Jealous Curator
<https://www.thejealouscurator.com/blog>

The author, Danielle Krysa, began a podcast with the aim of interviewing other artists and learning about their background and various approaches to art. Danielle explains her podcast as below:

When I studied art history in university, my favorite part was, well, basically the gossip. I loved hearing why artists did certain things. What was going on in their personal life, stories about other artists they knew and worked with. ART FOR YOUR EAR is exactly that... inside-scoop stories from amazingly talented contemporary artists.

Danielle also has a number of books you may be interested in. The links (Amazon affiliate) to each book are below:
